GENERAL INTERROGATORIES

Is the association organized and conducted on the lodge system with ritualistic form of work and representative form of government? Yes.

If so, how many subordinate lodges or branches are there? 578.

How often are meetings of the subordinate branches required to be held? At least once each month.

How are the subordinate branches represented in the supreme or governing body? By delegates elected by the subordinate local camp members.

What is the basis of representation in the governing body? One representative for each hundred members, or major fraction thereof.

How often are regular meetings of the governing body held? Quadrennially.

When was the last regular meeting of the governing body held? August, 1925.

How many members of the governing body attended the last regular meeting? 427.

How many of same were delegates of the subordinate branches? 353.

When and by whom are the officers and directors elected? Quadrennially, by representatives to the Supreme Camp meeting men and women.

What are the qualifications for membership? Physically sound; good moral character; not engaged in a prohibitive occupation.

Is a payment for the benefit funds required of an applicant in advance of his becoming eligible to benefits? Yes.

What are the limiting ages for admission? Minimum, 16; maximum, 50.

What is the minimum and maximum insurance that may be issued on any one life? Minimum, \$100; maximum, \$3,000.

Is a medical examination required before issuing a benefit certificate to applicants? Yes.

Are applicants admitted to membership without filing an application with and becoming a member of a local branch by ballot and initiation? No.

Who may be designated as beneficiaries? Blood relatives to the fourth degree, wife, husband and dependents.

How are the expenses of the governing body defrayed? From the Supreme Camp general fund; created by twenty-five cents monthly per capita tax, sale of lodge supplies, membership entrance fees, charter fees, and first year membership assessments as may be required.

Are assessments graded on any table of mortality? Yes.

If so, specify table and state whether assessments are levied on age at entry or attained age. N. F. C. 4%, age at entry. If on age at entry, are they based on the "level premium" or "step-rate plan"? (Give full information). Level preliminary term basis.

Are the liabilities of the association under its certificates in force December 31st each year mathematically determined? Answer. Yes.

GENERAL INTERROGATORIES

Is the association organized and conducted on the lodge system with ritualistic form of work and representative form of government? Yes.

If so, how many subordinate lodges or branches are there? 704.

How often are meetings of the subordinate branches required to be held? At least once a month.

How are the subordinate branches represented in the supreme or governing body? One representative for first twenty members and one additional representative for each additional fifty members or major fraction, who in turn elect one delegate for each one thousand members or major fraction to head camp session.

What is the basis of representation in the governing body? See previous answer.

How often are regular meetings of the governing body held? Quadrennially.

When was the last regular meeting of the governing body held? June, 1924, Yellowstone National Park.

How many members of the governing body attended the last regular meeting? 136 delegates, 16 officers, 5 member holdover committee.

How many of same were delegates of the subordinate branches? All except officers.

When and by whom are the officers and directors elected? Head camp session.

What are the qualifications for membership? Any white male person over sixteen and under fifty years of age, of good moral character not in a prohibited vocation, who receives a favorable ballot of a local camp and passes a rigid medical examination.

Is a payment for the benefit funds required of an applicant in advance of his becoming eligible to benefits? Yes.

What are the limiting ages for admission? Over 16 and under 50 years.

What is the minimum and the maximum insurance that may be issued on any one life? \$500 minimum, \$5,000 maximum or funeral benefits on separate rate. \$100.00 additional for monument.

Is a medical examination required before issuing a benefit certificate to applicants? Yes.

Are applicants admitted to membership without filing an application with and becoming a member of a local branch by ballot and initiation? No.

Who may be designated as beneficiaries? Wife, child, adopted child, grandchild, parent, parent by adoption, grandparent, brother, half brother, sister, half sister, nephew, niece, uncle, aunt, son-in-law, daughter-in-law, brother-in-law, sister-in-law, mother-in-law, father-in-law, step father, step mother, step child, first cousin, dependent.

Are assessments graded on any table of mortality? Yes. The National Fraternal Congress Table of Mortality and 4% interest based on death benefits only.

If so, specify table and state whether assessments are levied on age at entry or attained age. Age at entry. If on age at entry, are they based on the "level premium" or "step-rate plan?" (Give full information). Level rate plan.

Are the liabilities of the association under its certificates in force December 31st each year mathematically determined? Answer. Yes. Give the date of last valuation, standards of mortality and interest adopted, the number of assessments during the year at present rates assumed, and the name of the actuary making the valuation. Dec. 31, 1925, National Fraternal Congress Mortality Table with 4% interest. 12 assessments yearly. A. H. Laub, actuary.

Give the minimum and the maximum number of assessments that may be collected in any one year and all the facts relating thereto. 12 minimum, no maximum. The head officers authorized shall call a double or multiple assessment for any month when at any time the funds available in the benefit fund are not sufficient to pay monthly all approved death claims as follows: They shall cause the benefit fund to be so maintained and replenished that each death claim may be paid within 20 days after the death proofs are approved and each monument may be paid within 20 days after the head clerk receives proper evidence of its erection.

Are notices of the assessments and dues sent to the members? Yes. If so, do they state the purpose for which the money is to be used? Yes.

Is any part of the mortuary, disability emergency or reserve fund or the accretions from or assessments for the same, used for expenses? No.

Is any portion of assessments paid by new members used for expenses? Answer. No.

Does the association promise to pay the beneficiaries of deceased members a definite amount without regard to the amount one assessment may produce? No.

Does the association pay or allow, or promise to pay or allow, any dividend, paid-up or extended insurance, or any sum of money or thing of value to the members without regard to physical condition? No.

Does the association pay an old age disability benefit? No.

Does the association issue annuity contracts or installment policies? Installment certificates defined in constitution as "Annuity Plan."

How is the emergency or reserve fund created, and for what purpose and under what circumstances can it be disbursed? The guaranty fund of the Woodmen of the World is a permanent earning fund, the principal of which "shall never be impaired." By Article X of the constitution of the Woodmen of the World the guaranty fund is provided for and regulated. Compactly stated, the provisions of that article are:

All benefit assessments received from the membership are covered into the benefit fund and all interest earnings of the guaranty fund are also covered into the benefit fund, and from the benefit fund all death claims are paid. On the first day of July of each year, all money in the benefit fund over and above \$100,000 and over and above all pending death claims, is transferred and covered into the guaranty fund.

The guaranty fund is under the control of the board of head managers and is invested in bonds; in respect of such investment the board is limited by a provision in said Article X to United States government bonds, bonds of the several states of the United States, bonds of municipal corporations and county, district and improvement bonds of municipal corporations, counties and school districts; and as to municipal bonds, the corporation must have existed not less than fifteen years and have an assessed valuation of not less than \$1,000,000; and as to a school district, an assessed valuation of not less than \$300,000. The real property and the improvements thereon in Denver (being the head offices of the association) also belong to the guaranty fund and four per cent per annum upon reasonable value of such property is paid into the guaranty fund from the general fund of the association.

The securities in the guaranty fund are taken and registered in the name of the association, and none of them may be sold, transferred or conveyed without the unanimous vote of the board of head managers and with the approval of the head consul, head clerk, head banker and general attorney.

As such securities mature the proceeds are immediately re-invested in accordance with the provisions hereinabove referred to.

The constitution of the association does not contemplate any disbursement of the guaranty fund, it being provided elsewhere in the constitution that in case of emergency, additional or multiple benefit assessments shall be levied.

In what states, territories or dependencies of the United States, provinces of Canada or other foreign countries is the association authorized to transact business, and how many subordinate branches are there in each state, territory, etc? California, 184; Colorado, 128; Idaho, 42; Montana, 40; Nevada, 8; Oregon, 130; Utah, 28; Washington, 119; Wyoming, 25. Total, 704.

Does any officer, director or trustee receive any commission on the business of the association? No.

Total amount loaned to trustees, supreme, grand or other officers. None.

Assessments collected from organization of association, viz: Mortuary, \$54,592,749.54; disability, \$ none.

Losses and claims paid from organization of association, viz: Death claims, \$50,129,574.01; monuments and funeral benefit claims, \$1,232,844.00.

Is any compensation allowed or paid to any person from admission fees or otherwise for procuring new members, except for the preliminary organization of subordinate bodies? Yes, to deputy head consuls, district managers and assistants.

Were all the stocks, bonds, and other securities owned December 31, 1926, in the actual possession of the association on said date, except as shown by the "Special Deposit Schedule?" Answer. Yes.

Were any of the stocks, bonds or other assets of the association loaned during the year covered by this statement? Answer. No.

Has this associate reinsured, amalgamated with, or absorbed any company, order, society, or association during the year? Answer. No.

Has any present or former officer, director, trustee, incorporator, or other person, or any firm, corporation, or association, any claim of any nature whatsoever against this association, which is not included in the liabilities on page 5 of this statement? Answer. No.

What officials and heads of departments of the association supervised the making of this report? Thos. M. Robinson, head clerk and A. H. Laub, actuary.

State if an examination of this association's affairs has been conducted during the year of this statement by any insurance department. If so, by what department? Answer. No.
